To continue to prevent the spread of disease, we are asking all patients follow the new CDC reopening guidelines by bringing a mask or face covering to wear in our center. Additionally, please call before your appointment if you develop respiratory symptoms or fever.

Again, our priority is and has always been caring for our patients, and we will continue to make decisions that prioritize the health and safety of our patients, staff and community. For our patients, we recommend following the Centers for Disease Control's (CDC) guidelines and hygiene practices. To find out more about COVID-19 and review recommended guidelines, please [visit the CDC website](#). For more information, please visit ourmountainviewfriends.com.

Sincerely,
MountainView Medical Imaging
